

NATIONAL APPRENTICESHIP TRAINING SCHEME PORTAL (NATS 2.0) – USER MANUAL

2. Contract Creation Acceptance by the Student

Step 1: Login as a student:

The screenshot shows the NATS 2.0 student dashboard. At the top, there is a navigation menu with options: Dashboard, Profile, Change Request, Application Management, Event Management, Issue/Grievance, Help, and Logout. The main content area displays a welcome message for 'RAJESH TEST!' and an 'Edit Profile' button. Below this, a white box contains the following information: Ref. ID: 729130, Enrollment ID: SPYG56915020001, Email: rajamanisap@gmail.com, and Contact No.: 9710620715. A row of five colored boxes shows application statistics: Applied against advertisements (3), Shortlisted (0), Interview Calls (0), Selected (1), and Rejected (0). A 'Contract Status' section contains a table with the following data:

Name of Establishment	Location for Apprenticeship Training	DOJ	Stipend Rate	Status	View Certificate
BOARD OF APPRENTICESHIP TRAINING (SR) (STNCHC089151)	CHENNAI - TAMIL NADU	01 Apr 2023	9000	Contract Generated <input type="button" value="Accept"/> <input type="button" value="Reject"/>	Not generated yet

Step 2: Check the Dashboard, verify the contract details and click Accept.

This screenshot is identical to the previous one, showing the NATS 2.0 student dashboard. The 'Contract Status' table is the same, but the 'Accept' button in the 'Status' column is highlighted in green, indicating it has been clicked.

After the establishment contract initiation, student has to accept the contract request, in order to send request to BOAT for final confirmation, after the acceptance of student, contract will be approved by BOAT, contract number will be generated, the status will reflect in the Dashboard.
